## *Profile*

We are a General Partnership of scenic artists for the performing arts. We provide custom backdrops as well as props and costumes. We are now expanding our talents in the film industry.

As business owners we have had the opportunity to work with artistic directors and scenic designers in theatre from creation to completion of a production. So we can offer our multi tasking creative abilities to various departments on a film.

## *Our Mantra*

We are passionate about expanding our expertise and continuing to evolve & embrace change, while working with positive energy.

## *Artistic skills*

- Designing and execute backdrops, 30'x50' average size
- Painting of hard sets
- Sculpting and painting of theatrical foam for props
- Creating unique styles of wall finishes
- Creating themed costumes
- Dressing of sets for stage & film
- Specializing in period painting/ aging for film and theatre

We each have our formal education, with studies combined in Fine Arts, Graphic Arts, Art Education and Architectural Design /space planning plus our years in running a scenic art business. **Continuing education at The Royal Academy of Dramatic Arts, London.**
